COUNCIL MEETING MINUTES

The Calvary Council met after church on October 13th. Members present included Steve, Elmyrna, Bob, Dave, Byron, Marissa, and LaVonne.

The meeting was called to order by Steve. The Secretary's and Treasurer's reports were read and approved.

Old Business, Steve, and Bob are still working on how to fix the cross in the front yard. They hope to come up with a final solution soon.

The other item discussed was how we keep losing our fuel tank gauge/cover. We discussed the possibility of putting a lock on it to prevent whoever is taking it off. We do not want anything to get inside the fuel tank. We will be keeping an eye on this and

Under New Business, LaVonne brought up getting the smoke detector offered by Church Mutual. It would send an alert if smoke were detected. Having this installed may help with the insurance premium. She also mentioned possibly getting a SimpliSafe, or other similar security system to monitor the back of the church where we are having the issue of stolen/damaged property. She will check with Church Mutual to see if there are any insurance savings.

There was also discussion on having a new member and baptism combination service. Elmyrna will contact Pastor Sletto to see if he would perform the service.

The meeting was adjourned and we closed with the Lord's Prayer. The next meeting is November 10th.

Marissa McWilliam-Donner, Secretary

"Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God."
